### TO WHOM IT MAY CONCERN

Get Smart Security Services Pty Ltd has been conducting business with Campbelltown City Council for the past 2 years as our Maintenance and Installation contractor for all Security Alarm Systems.

We have found them to be very professional in all their dealings and business transactions. Their workmanship has been, and still is, of the highest standard and quality.

They have displayed a capacity to be highly efficient and able to meet installation deadlines, and sometimes in the most difficult imposed time frames.

We take this opportunity to recommend Get Smart Securities as a well established local company with quality and service objectives.

Should you require any further information regarding the above matter please do not hesitate to contact Mr Graeme Bulfin, Construction Coordinator, Property Parks and Recreation, on telephone (02) 4620 1424.

Yours sincerely,
