

# NSW RURAL FIRE SERVICE CAMPBELLTOWN

"Proudly Serving the Communities of NSW"

P.O BOX 57, Campbelltown, NSW 2560

☎: (02) 9603 7077

Fax: (02) 9603 9859

## TO WHOM IT MAY CONCERN

This is to certify that *Get Smart Securities Pty Ltd* has maintained seven sites for the NSW Rural Fire Service, Campbelltown since 1996.

During its time with the Service, *Get Smart Securities* has provided outstanding advice on Security matters, due to our having assets of around \$600,000 on each of our stations.

*Get Smart Securities* for the past few years has assisted the Service in Campbelltown in maintaining a high level of security standards for our stations. The achievements of *Get Smart Securities* are very evident, with our stations receiving what we believe to be outstanding protection.

The District is indebted to this company, for its understanding of our function in Fire Protection and the volunteer culture, for assisting us in managing a delivery of service to our community, and at the same time maintaining a high level of security to our Service.

This District is therefore recommending *Get Smart Securities* for consideration, for the security tender for Campbelltown City Council.

Should further information relating to this reference be required, please don't hesitate to contact me on telephone (02) 9603.7077 during normal office hours.

Regards,
